

## UPDATE ON SPALDING PARKING AND TRANSPORTATION

Parents and Students,

Due to the upcoming renovations to our auditorium, the following changes will be taking place in the parking lots.

### CHANGES TO PARKING SPOTS (Starting on May 16<sup>th</sup>)

1. Fencing will be placed around several parking spaces on the west side of the parking lot which is located near the current visitors parking area. The lanes directly in front of the school will remain open for traffic. Be aware that movement within the parking lot at the far west side will be somewhat restricted.

For after school pick-up, many of the parking spots facing the front field will be open for you to use.

2. Parking and drop-off in the rear of the school, along the side road, or on the circle will not be changed.
3. The New Cut Road end of the side student parking lot will also be enclosed in fencing. Those students will be moved to spots currently occupied by seniors.
4. Some senior parking spaces will be occupied by other students and faculty after their last week, ending on May 12<sup>th</sup>. If a senior does not have a parking space for rehearsal day, they can park along the red curb at rear of the school. The area will be marked with orange cones.
5. Be aware that the fencing could slow down the movement of traffic around the front of the school for a few days.

### AFTER THE SCHOOL YEAR ENDS (Starting JUNE 8<sup>th</sup>)

Access to the school using the AUDITORIUM LOBBY DOORS will no longer be available. To enter the school use the Main Office Entrance located on the circle at the west side of campus.
