

## **SUMMER READING REQUIREMENTS 2016**

All incoming students for the 2016-2017 school year are required to read designated novels or plays during the summer months. One work is required; students must choose the second from the two choices provided. The first grades of the school year will be based on these works. Advanced Placement and IB students must read all works listed. **Unless otherwise stated, all students will read a total of two novels.**
